Liability for failure to make transfers. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance: (1) If, through no fault of ours, you do not have enough money in your account to make the transfer. (2) If you have an overdraft line and the transfer would go over the credit limit. (3) If the automated teller machine where you are making the transfer does not have enough cash. (4) If the terminal or system was not working properly and you knew about the breakdown when you started the transfer. (5) If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken. (6) There may be other exceptions stated in our agreement with you.

Confidentiality. We will disclose information to third parties about your account or the transfers you make:

1. Where it is necessary for completing transfers; or 2. In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or 3. In order to comply with government agency or court orders; or 4. As described in our privacy policy disclosure, provided separately.

Unauthorized Transfers (Consumers only). (1) Generally, tell us AT ONCE if you believe your card and/or code has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within two business days after you learn of the loss or theft of your mobile device, card and/or code, you can lose no more than \$50 if someone used your code and/mobile device without your permission. Also, if you do NOT tell us within two business days after you learn of the loss or theft of your card, and/or code, and we can prove we could have stopped someone from using your card and/or code without your permission if you had told us, you could lose as much as \$500. Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time period. (2) Additional Limit on Liability for VISA[®] debit card. Unless you have been negligent or have engaged in fraud, you will not be liable for any unauthorized transactions using your lost or stolen Visa[®] debit card. This additional limit on liability does not apply to ATM transactions, or to transactions using your Personal Identification Number which are not processed by VISA. (Visa is registered trademark of Visa International Service Association.)
Contact in event of unauthorized transfer: If you believe your card and/or code has been lost or stolen, call or write us at the telephone number or address listed in this disclosure. You should also call the number or write to the address listed in this disclosure if you believe a transfer has been made using the information from your check without your permission.

Error Resolution Notice (Consumers Only). In case of errors or questions about your electronic transfers, call or write us at the telephone number or address listed in this disclosure, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared. Tell us your name and account number (if any). Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information. Tell us the dollar amount of the suspected error. If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days. We will determine whether an error occurred within ten (10) business days (five business days if the transfer involved a point-of-sale transaction and twenty (20) business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days (90) days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days (five business days if the transfer involved a point-of-sale transaction and twenty (20) business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account. Your account is considered a new account for the first thirty (30) days after the first deposit is made, unless one of you already has an established account with us before the account is opened. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation. If you have inquiries regarding your account, please contact us at:

Mobile Banking Safety Tips.

1. Invest in an antivirus application for your mobile device to help protect you when downloading apps or mobile content.
2. Never provide personal identification or banking information over your mobile device unless you initiate the contact and you know that you're dealing directly with your bank.
3. Never share your password, account number, and answers to secret questions. Don't save this information anywhere on your mobile device. Avoid lending your mobile device to strangers.
4. Never set the app, web or client-text service to automatically log you in to your bank account. If your mobile device is lost or stolen, someone will have free access to your money.
5. Set the mobile device to require a password to power on the handset or awake it from sleep mode.
6. Remember, your bank would never contact or text you asking for personal or banking information. Assume any unsolicited text request is fraudulent. Giving this information places your finances and privacy at risk.
7. Immediately tell your mobile network provider and your bank if you lose your mobile device.
8. Hot spots & public wireless local area networks (Wi-Fi) are not secure and your credentials could be compromised.

9. If you acquire a new mobile device, please uninstall the mobile application prior to changing and/or upgrading your device.

Mobile Deposit Services. The mobile deposit services ("Deposit Services") are designed to allow you to make deposits to your checking, savings, or money market accounts using your approved mobile device from any location by taking pictures of physical checks and delivering the images and associated deposit information to the Bank or the Bank's designated processor. We reserve the right to reject any item transmitted through the Deposit Services, at our discretion without incurring any liability to you. We may restrict and/or cancel, without prior notice, your ability to use Deposit Services if we notice any suspicious activity or mismanagement of Plains Commerce Bank accounts including failure to promptly bring negative account balances to a positive balance.

Eligible Items. You agree to take pictures of and deposit only checks as that term is defined in Federal Reserve Regulation CC ("Reg CC"). You agree that the image of the check transmitted to the Bank shall be deemed an "item" within the meaning of Articles 3 and 4 of the Uniform Commercial Code. In order for a check to be accepted and processed using the Deposit Service, it must:

- Be an original paper check,
- Be payable to You and endorsed properly,
- Be payable in U.S. dollars,
- Be payable at a financial institution in the United States,
- Be dated within 6 (six) months prior to date of deposit,
- Have all areas of the check completed, and
- Be legible and in good physical condition.

Prohibited Items. You agree that you will not use the Deposit Services to take pictures of and deposit any checks or other items as shown below which shall be considered ineligible items:

- Checks or items payable to any person or entity other than you.
- Checks payable to you and another party who is not a joint owner on the account.
- Checks made payable to a business that you attempt to deposit into a personal account.
- Checks or items containing an alteration to any of the fields on the front of the check or item, or which you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check or item is drawn.
- Checks that have been previously negotiated.
- Checks that have previously been submitted through the Deposit Services or through a service offered at another financial institution.
- Checks or items previously converted to a substitute check, as defined in Reg CC.
- Checks or items drawn on a financial institution located outside the United States.
- Checks or items that are remotely created checks, as defined in Reg CC.
- Checks or items not payable in United States currency.

Business Mobility

Terms & Conditions

- Checks or items dated more than 6 months prior to the date of deposit.
- Checks that are post-dated (made payable at some point in the future).
- Checks or items prohibited by the Bank's current procedures relating to the Deposit Services or which are otherwise not acceptable under the terms of your Bank account.
- Checks payable on sight or payable through Drafts, as defined in Reg. CC.
- Checks with any endorsement on the back other than that specified in this agreement.
- Deposits which exceed your per check or daily limit.

Image Quality. The image of an item transmitted to the Bank using the Deposit Services must be legible. The image quality of the items must comply with the requirements established from time to time by ANSI, the Board of Governors of the Federal Reserve Board, or any other regulatory agency, clearing house or association.

Endorsement. You warrant that prior to scanning and creating an image, you will endorse the back of each item by including "For Mobile Deposit at Plains Commerce Bank" or "PCB" as part of your endorsement. We recommend you write 'Mobile Deposit' and the deposit date in the Memo area on the front of each item.

Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility. If multiple payees are separated by the word "and" on the check, all payees must endorse the check for deposit. If multiple payees are separated by the word "or", only one of the payees may endorse the check for deposit.

Receipt of Items. We reserve the right to reject any item transmitted through the Deposit Services, at our discretion, without liability to you. When we receive an image, we will only notify you only if a deposit is rejected. The image is not deemed "received" by us until it is posted to your account at the end of the business day. Acceptance within the Plains Commerce Bank Mobile Deposit application does not mean that the image is free of errors or will be accepted for deposit. Reasons for rejection may include any of the following: incomplete or missing endorsement; illegible check or poor image quality; altered check; or duplicate check. This list is a list of examples only and is not a list of all of the reasons that an image of a check may be rejected. We are not responsible for any image we do not receive. We are not responsible for items we do not receive or for images that are dropped during transmission. Images received will be available to view inside the mobile application. We further reserve the right to charge back to your account at any time; any item that we subsequently determine was not an eligible item. You agree that the Bank is not liable for any loss, costs, or fees you may incur as a result of our chargeback of an ineligible item.

"Exception Item" includes, without limitation, an electronic item that (a) is illegible or contains MICR data that is not machine-readable, (b) was previously processed as an electronic item, or (c) is drawn on a bank located outside the United States and is not payable at or through a bank located within the United States. If you attempt to deposit an Exception Item to your account, you shall do so only by depositing the original paper item on which the Exception Item is based or as otherwise agreed between us. Even if we do not initially identify an item as an Exception Item when we review and process the item to which the Exception Item relates, the electronic item, substitute check, or the purported substitute check created by us from it may nevertheless be returned to us because, among other reasons, the paying bank determines that such item or check is illegible or missing an image. Our failure to identify an Exception Item shall not preclude or limit the obligation of you to Plains Commerce Bank.

Your Responsibilities. You agree that, once you have deposited a check using the Mobile Deposit Service, you will not cash the check, nor negotiate, transfer or deliver the check to any other person or entity, nor deposit the check again through the Mobile Deposit Service, at an ATM, in person at a branch (unless we have directed you to do so), at another financial institution, or through any other means. Do not destroy the original check until the deposit appears on your periodic account statement. Until it appears on the statement, you agree to keep the physical check securely stored to

Business Mobiliti

prevent theft or misuse. After the deposit has appeared on your statement, you agree to safely destroy the original check.

Successful completion of a mobile deposit is dependent upon a good-quality original check and a clear photograph of the front and back of the check. You agree that you are responsible for accurately photographing the front and back of the check according to our instructions. You acknowledge that not all checks that meet our deposit criteria can be successfully deposited through the Mobile Deposit Service due to the sensitivity and complexity of image recognition technology or other reasons, such as use of unconventional check stock or failure or interruption of any data transmission channels. You acknowledge and agree that we are not responsible for any loss or liability that you may incur due to inability to deposit, or delay in depositing, a check using the Mobile Deposit Service.

Availability and Settlement of Deposits.

Credit availability or any holds placed on funds for each item presented to us will be determined by us based on our published Funds Availability Policy provided to you at account opening. Mobile Deposits are processed in the same manner as a paper deposit made in a branch and are NOT "electronic direct deposits" for purposes of funds availability. Generally, funds deposited through Mobile Deposit are available to you on the second business day after we receive your deposit. Mobile Deposits transmitted to us after 4:00 PM CST on a business day or on a Federal Holiday will be processed on the next business day. A notice will be sent to you if a hold is placed on any deposited funds. For more information, please refer to our Funds Availability Policy Disclosure. In some cases, we may delay fund availability up to the 7th business day after the business day the deposit was received. We will notify you in writing if we delay availability of your deposit.

Disposal of Transmitted Items. It is your responsibility to take a picture of the front and back of each original item, prepare the item for transmission to us, view the Deposit History on your mobile device, and store the original items in a secure location until the deposit appears on your periodic statement or for a minimum of 30 days, then to destroy the original items through a commercially reasonable method, such as cross-cut shredding. You must also ensure that no original item for which an image is transmitted to us will be deposited into any other bank, causing funds to be debited twice from the payor's account. Upon request, you will deliver to us within 10 calendar days, at your expense, the requested item in your possession. If not provided in a timely manner, such amount will be reversed from your account.

Deposit Limits. The Daily Mobile Deposit aggregate limit is \$50,000.00, the Mobile Deposit Item limit is \$10,000.00. We reserve the right to impose limits on the amount(s) of deposits that you transmit using the Deposit Services and to modify such limits from time to time. If you attempt to initiate a deposit in excess of these limits, we may reject your deposit. If we permit you to make a deposit in excess of these limits, such deposit will still be subject to the terms of this Agreement, and we will not be obligated to allow such a deposit at other times. Deposit limits are subject to change at any time with our discretion. Daily and per item dollar limits may vary and are subject to change at the discretion of the Bank. We are not responsible for any losses incurred as a result of rejecting deposits you have made through the Deposit Service which exceed your deposit limits.

Fees. We may, upon at least 30 days prior notice to you, to the extent required by applicable law, change a fee for use of the Deposit Services. If you continue to use the Deposit Services after the fee becomes effective, you agree to pay the fee that has been disclosed to you, as may be amended from time to time.

Any applicable fees for the Deposit Services may be changed by us at our discretion at any time upon at least 30 days prior notice to you, to the extent required by applicable law. If the account that you designated for the deposit and fee is closed or does not have sufficient available funds to cover the fees, you authorize us to charge any such fees to any other deposit account you maintain with us.

Errors. You agree to notify the Plains Commerce Bank of any suspected errors regarding items deposited through the Deposit Services right away, and in no event later than 60 days after the applicable Bank account statement is sent. Unless you notify the Bank within 60 days, such statement regarding all deposits made through the Deposit Services shall be deemed correct, and you are prohibited from bringing a claim against the Bank for such alleged error.

However, you acknowledge and agree that your receipt of any alerts may be delayed or prevented by factor(s) affecting your mobile phone service provider, internet service provider(s) and other factors outside Plains Commerce Bank's control. We neither guarantee the delivery nor the accuracy of the contents of each Alert. You agree to not hold Plains Commerce Bank, its directors, officers, employees, agents, and service providers liable for losses or damages, including attorneys' fees, that may arise, directly or indirectly, in whole or in part, from (a) a non-delivery, delayed delivery, or the misdirected delivery of an Alert; (b) inaccurate or incomplete content in an Alert; or (c) your reliance on or use of the information provided in an Alert for any purpose.

Alert Information. As alerts delivered via SMS, email and push notifications are not encrypted, we will never include your passcode or full account number. You acknowledge and agree that alerts may not be encrypted and may include your name and some information about your accounts, and anyone with access to your alerts will be able to view the contents of these messages.
