Coffee	\$5.55	\$6.00	\$0.45
Groceries	\$32.15	\$33.00	\$0.85
Gas	\$15.30	\$16.00	\$0.70
<b>Total Transferred to Account:</b>			<b>\$2.00</b>

**Transfer the Cents** – Round up my Plains Commerce Bank debit card purchases, from my checking account above, to the next whole dollar and transfer the difference to my Plains Commerce Bank savings or checking account listed above. We will combine the round-up from purchases that post to your checking account each business day and make a single transfer at the end of the business day from your Plains Commerce Bank checking account to your Plains Commerce Bank savings or checking account. If your debit card purchase is canceled or reversed after the round up transfer has been made, the Transfer the Cents transfer will remain in the savings account. Transfer the Cents is available only on a debit card linked to your Plains Commerce Bank checking account. If on a business day you do not have enough available funds in your checking account, or if any transaction had overdrawn your checking account, we do not round up purchases posted on that business day and we will cancel the Transfer the Cents transfer for that day. *“Refer to your Account Agreement, Truth in Savings Disclosure, and the Schedule of Fees for more information regarding your account’s available overdraft services and applicable fees.”*

**\*\*We may cancel or modify the Transfer the Cents product at any time without prior notice.\*\***
